Vishwa Science Lab Presenting

Dr. Homi Bhabha Young Scientist Exam

9th Std. 2nd level preparation Course

About Us

Established in 2015, Vishwa Education's Science Lab is dedicated to transforming the way students learn science. We focus on hands-on experiments, ensuring that students understand concepts through practical learning rather than only theory. We proudly operate the only exclusive science practical lab in Marathwada designed especially for students preparing for the Dr. Homi Bhabha Young Scientist Exam (Level 2) from 6th and 9th standards.

Our Mission:

To nurture young minds with scientific skills and curiosity, preparing them to become tomorrow's innovators and leaders.
